Introduction

THE SHOW AND VENUE

'Classics at the Castle' at 16th century Sherborne Castle in Dorset has developed strongly over the past eight years. It can now be regarded as certainly one of the premier classics and supercar shows in the South of England with upwards of 1,000 cars on display, from veterans to the latest supercars. A host of attractions include motor club stands, motor trade stands, an autojumble, craft fair and a quality classic car auction by Sherborne based Charterhouse Auctions. Special displays showcase race and rally cars, supercars, hot rods and custom cars and anniversary features - this year celebrating 50 years of the Lotus Elan and MGB. The venue could not be better as Sherborne Castle, built by Sir Walter Raleigh in 1594, sits beside a 50 acre lake and 30 acres of gardens designed by Capability Brown. It has been the home of the Digby family since 1617 and we are able to stage this event by kind permission of the present head of the family - Mr John Wingfield-Digby. Across the lake stands the ruin of the Old Castle, built by the Normans in the 12th century and falling to Cromwell in 1646 during the Civil War, since when it has remained a noble ruin. For 'Classics at the Castle' it is the "new" castle which forms a dramatic backdrop to this immensely impressive show. Make sure of your place by sending your application without delay.
